Note

Two sets of draft rules are herewith submitted — one for (1) Budget discussion and (2) interpellations: & the other for election of 4 additional members from the districts to the Legislative Council:

2 The rules relating to Budget discussion & interpellations closely follow the Madras ones, the following alone being local & new: —

(a) Rule 4: Budget Discussion.

(b) Rules 5, 7, & 8 (10 days' notice) and (duly supported by one or more non-official members).

3 As regards election from districts, the rules are based on the idea of the 1st Committee that local self-governing bodies may be treated as Electoral bodies.

4 only non-officials of Taluk Board, District Boards, Reg. Municipalities & the Local Sanitary Board are eligible to give one vote each Non-officials include both elected & nominated. This is similar to the Madras System.

5 For voters, where property qualifications have been fixed, the maximum revenue fixed for the R. Assembly has been adopted and the Nishatarsha increased from Rs 17 to Rs 20.

6 The Statement herewith submitted will show the no of Electors in each group.

The groups are formed as generally settled in the last Rep. Assembly.

Electorates may be suggested on the plan of those for the D.R.A or Municipalities or Taluk Bo

OPINION OF THE COUNCIL.

Submitted to His Highness.

21 In connection with the Legislative Council, reforms announced last Dasara, the sanction of His Highness was recently obtained to the introduction of a bill to amend the existing Legislative Council Regulation I of 1907. The bill will be published in the Gazette and further action taken as early as practicable.

22. 2. To give full effect to the reforms sanctioned, certain rules are also necessary. These have been drafted for (1) regulating the discussion of the budget and the asking of questions in the Legislative Council and (2) the formation of four District Group Electorates for the Council, the election of a candidat for each such group and the nomination of the candidate by Government to the Legislative Council. The draft rules are herewith submitted.

23. 3. The rules about the budget discussion and interpellation closely follow those in force in British India so far as the sanctioned reforms here extend.

24. 4. The rules in regard to the election of four candidates from the District Groups recognize seve electoral bodies, with about 11,259 voters in all. The Statement annexed explains the details fully.

5. The draft rules are considered suitable by the Council and may be graciously approved by His Highness.

26. 6. The rules will be issued immediately after the Bill to amend the Legislative Council Regu tion becomes law.

The Legve Council Regn Amendment Bill was finally passed at the last meeting & this file is submitted separately. The rules regarding Budget discussion, interpellation formation of Dt electorate, etc have now to be issued

33. The rules marked B regarding Dt Group electorate, seem to require some modifications on three points :-

(1) In Rule IV, provision has to be made for furnishing evidence of their eligibility by ~~Candida~~ intending candidate, & the verification thereof by Dy Comr An addition to this effect is made in pencil for approval.

(2) Rule 6 (1)5. The rules do not contain any provisions as to how the electors under class (5) have to be ascertained. It will not be possible owing to want of time to compile a separate list now of such qualified persons. I would therefore suggest that for our present purpose, the latest list of persons published by Govt under para 5 of the Rules for the Conduct & Constn of the R. Assembly & Govt Notifn No G. 1803 dy for the election of members & the Repve

may be deemed to be the hold good ~~...~~ I/. In this view, I have suggested an addition to the rule in pencil, for approval & other order

(3) Rule VII (a) does not provide under whose auspices the meeting of the general body of elects should take place. I have therefore added that it should take place under the guidance of the Amildar & the Dy Amildar.

34 As these rules do not fully cover the whole ground. I have drafted a set of instructions for the guidance of Dy Coms regarding the conduct of these elections. These draft ~~instructions~~ rules are merely to convey subsidiary instructions to them & explain themselves. They may be approved if deemed fit

35. The question was raised that the next meeting of the Legve Council should be held early in April after all the elections are o It is therefore necessary that alone,

with the publication of the general rules, the notification fixing the last day for the nominations to reach Govt & also fixing the date of election should also be issued. I have put up, for consideration, a calendar showing the various dates for taking action in connection with these elections, so as to enable a meeting of the Legve Council being held in the second week of April. If this approved, action will be taken accordingly.

36 The Dewan has stated that the rules should be sent to him before issue

Dr Levi 6/2

37 The Mr Secy himself have both considered the matter with the results noted above. The five points requiring notice are marked in pencil on the draft. I have put up an alternative draft of Rule IV for consideration. Drafts requiring orders are:-

Most of the queries are mentioned in the memo of instructions proposed to be sent to the S.C.S. That file is before the 1st member to whom it was submitted on 18/2/14.

Para 1 of para 1 ~~and~~ + however is not answered therein.

The necessary corrections have been made in the ~~rules~~ three copies of the rules as mentioned in sub-para 3 of para 1.

It is perhaps sufficient if copies of the reply to be sent to this letter are also sent to other Govt commns.

As regards voting papers copies of the letter ~~sent~~ to the Supdt Govt Press were also sent to the Govt. commns. With those copies 5 copies of the rules as corrected have also been sent. A draft reply will be put up after knowing what reply has to be given on point 1.

Sir,

With reference to Notification No.J.2292/Legis.20-13-2 dated 12th February 1914 publishing rules for election to the Legislative Council,I have the honour to request to be kindly favoured with instructions on the following points:-

(1) Does "Municipality " in Rule VI(1) (iv) include Non-Regulation Municipalities ?

(2) As it is not possible for the Presidents of Municipalities and Taluk Boards to preside at the meetings of all such bodies of which they are Presidents on the same date,is there any objection to the Vice-Presidents presiding at the election meetings ? For instance,the Sub-Division Officer,Shimoga,is the President of the Shikarpur Municipality and of the Taluk Boards of Shimoga,Kumsi,Shikarpur,Honnali and Channagiri.

(3) It is presumed that in Rule VII (a),"Rule VI" should read "Rule VI (1)", and " under (1)" and "under (5)" should read "under (i)" and"under (v)" respectively and that similarly in Rule VIII, "clause (1) of Rule VI" should read "clause (i) of Rule VI (1)".

It is understood that Amildars and Assistant Commissioners presiding at election meetings should send the reports prescribed

I saw Mr. Chandy, Deputy Commissioner yesterday, and he was pleased to tell me that he has instructed the District Board Members to present their votes for the candidates for the forthcoming Legislative Council Elections to the Amildars of the Taluks in which they are residents. Sir,

I have the honor to acknowledge the receipt of your letter No.J. 2527/Legis 20-13-43 of the 3rd March 1914 forwarding for necessary action a copy of letter dated 27th February 1914 from Mr. B.K. 2. Out of the 18 members in the list, the first 16 are also on the Taluk Boards, and the remaining two are not so.

3. At the District Board meeting held on the 21st February 1914, I took the opportunity to have explained to the non-official members of the Board the privilege conferred on them by Government in the matter of their being one of the bodies for electing a non-official member to the Legislative Council, and specially invited their attention to Rule 6 (2) issued with Government Notification No.J. 2292-Legis. 20-13-2 dated 12th Februayry 1914, which lays down that no person shall vote more than once by reason of his being a member of more than one of the bodies" allowed to vote. The non-official members of the District Board who are also members of the Taluk Boards, naturally expressed their desire to vote at Taluk Head Quarters .

4. The two members (viz.Messrs D. A. Ballard and Karnick Krishna Murthi) who are not members of the Taluk Board were told that they might go to the District Office and vote before the President or Vice- President in the event of the absence of the President from

As some doubts are entertained about the manner of voting by the electorates recognised for the election of candidates for the Legislative council, the following further instructions are issued for information and guidance.

The rules framed by Govt make a distinction between Dt Boards and city Municipalities on the one hand and electorates such as Taluk Boards, Muni

cipalities (except the Municipalities
of the Bangalore and Mysore
cities), Sanitary Board, K.G.F. and
the Taluk and Sub-Taluk groups
of voters on the other.

The non-official members
comprising the former class
of bodies vote individually
while the latter class vote
as bodies. In the case of
the former, every vote recorded
by ~~every~~ a non-official member
is counted as one vote
in favour of the candidate
who secures it, ~~as one vote~~,
while in the latter case,
the vote of the whole body itself
is reckoned as one vote, and is given to the person
~~favour of the candidate who~~ whose name secures
~~secures~~ the largest number
of votes. This vote is
determined by the majority
of votes recorded in a candidate's favour
by the individual non-official
members composing that body.
Thus, if in a District there are
